

AquaDraw is a no mess creative drawing toy that uses water in a special pen to draw on the mat provided - watch as the mat dries and the colourful drawings fade away as if by magic, ready for the next creation!

TOMY

Stamp 'n' Draw Tigger

Stamp 'n' Draw Tigger

Now you can draw water pictures with Tigger. He is an Aquadraw pen with two stampers and has a chunky grip, perfect for creative little hands. The Stamp 'n' Draw Tigger mat has lovely pictures of Winnie the Pooh with his honey pots around the edge for inspiration. It will provide hours of fun for little ones and is easy to roll up and store or take with you for no mess drawing fun on the go!

Available from: Argos and other good toy retailers
Suitable from: 18 months +
Recommended retail price: £14.99

Rainbow AquaDraw

All the magic of AquaDraw, now in glorious technicolour! This brightly designed mat comes with three drawing accessories; a special Aquadraw pen, paintbrush and stampers. Simply fill the pen with water or dip the paintbrush in the water tray provided and children can Aquadraw anything they wish in the colours of the rainbow. As the mat dries, scenes magically fade so children can create new colourful masterpieces over and over again!

Available from: All major toy retailers and online
Suitable from: 18 months +
Recommended retail price: £24.99

Cinderella AquaDraw

Little princesses will love the magic of Cinderella AquaDraw as they watch Cinderella and Prince Charming come to life. It is no mess drawing with nothing but water. Create pink masterpieces with the pen or use the wand roller to draw a pathway of stars on the mat. Watch with wonder as the music plays and Cinderella and Prince Charming magically follow and dance along the pink path.

Available from: All major toy retailers and online
Suitable from: 3 years +
Recommended retail price: £29.99
